

"Summer in the City" Design Tour June 16, 2022 Sponsorship Form

After a 4 year hiatus, this popular event is back! Landscape architects, designers, contractors will walk with us to peek behind the scenes of Chicago's iconic public gardens. Attendees will learn about designing, creating and maintaining these high profile sites. Not only will your logo be on each tour attendee, it will also be visible to the general public at Chicago's busiest time of year! Insiders tour for professionals with hidden stories, hidden trivia (check a ghost tour website)
