

## Adam King King's Landscape Design

Adam King has been working in the industry for the last 10 years. He started with his family's company right out of college with deliveries. He has since worked his way to Senior Landscape Coordinator, and today runs a division of 40 people, as well as, sells large scale outdoor living environments. Adam King, alongside the Senior Architect, implemented a companywide CRM software, a company name change and streamlined the company's supplier relationships. Adam's innovative ideas have driven King's Landscape Design to record year sales and profitability.
