Straight Talk: Examining the Business of our Businesses!

Thursday, March 9th, 2023, 4pm-7pm
The Village Links of Glen Ellyn
485 Winchell Way, Glen Ellyn, IL 60137

This unique event gathers green industry professionals, owners, and decision-makers from the area's top landscape companies.

About the program: The old mantra of are you working in your business or working on your business will be taken a step further. Are you working in your industry or on your industry? Landscape companies do not exist in a vacuum. The decisions made by one company impact all companies. Every company is unique. But, what are some of the prominent paradigms in the marketplace?

ILCA has gathered landscape contractors with a unique and different perspective on the landscaping industry. All panelists have unique worldviews on the people, products, art, and science that make up the Illinois green industry.
